I am afraid these rules cannot be approved in their present form.

(1) Firstly, the heading is wrong. The rules do not relate to the registration of graduates. They refer to the preparation of the electoral roll.

(As is said at A in the draft rule)

(2) There is no point in saying that all registered graduates are entitled to have their names entered on the electoral roll if they possess the required qualifications. The only qualification required is that a person

a registered graduate. He is not required to possess any further qualification. What in fact is sought to be done in this part of the rules is to impose certain disqualifications and this has to be clearly brought out.

9 (3) The provisions contained in I (ii) + (iii) + the note thereunder go too much into detail and may perhaps be more generally worded.

10 (4) There is no necessity to refer, as is done at B in the rules, to the rules framed by Govt for regulating the Election.

11 (5) It is necessary to extend the rule regarding citizenship not only to registered graduates, but also to Fellows. At the last Elections, there was considerable confusion in this matter.

12 (6) Lastly, these rules can't be issued by the Univ. The power of framing them and issuing them is reserved to the Govt.

13 A draft Notfn. prepared in accordance with the above views is submitted for orders.

Registrar, Mysore University,
Mysore.

To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Local & Legislative Departments,
Bangalore.

Sir,

Adverting to the rules issued with Notification No.P.3923,-Legis-12-23-21, dated the 16th January 1924, relating to the election of members to the Representative Assembly from the Mysore University Constituency, I am directed to state that at the meeting of the University Council held on the 23rd February 1924 the question of reinstatement of defaulters' names (Registered Graduates) before elections to the Representative Assembly was considered and the following rule was passed:-

> " In the case of Registered Graduates, no applications for reinstatement of defaulters will be permitted during the thirty days immediately preceding the publication of the electoral roll."

The question whether the above rule should be placed before the Senate was considered at the Council meeting held on 15th March and a resolution was passed to the effect that a set of rules regarding the registration of graduates for purposes of elections to the Representative Assembly be drafted and placed before the Council before submission to Government.

Accordingly a set of draft rules in the matter was placed before the Council at the meeting on the 19th

19th July 1924 and it was resolved that the rules with the alterations and suggestions made by the Vice-Chancellor be approved.

I am to forward herewith a copy of the rules as revised and to request that sanction of Government may kindly be obtained thereto.

Copies of resolutions of the Council referred to above are also enclosed.

I have the honour to be,

Sir,

Your most obedient servant,
